Frequently Asked Questions

Q: Who is responsible for submitting the application fee to the Department of Community and Recreation Services (CRS)?

A: The applicant is solely responsible for submitting the application fee to CRS. CRS will not accept payments submitted individually from participants or teams.

Q: If a league runs over two CRS scheduling seasons, are two application fees charged?

A: Leagues that are completed within 16 weeks are subject to a single application fee. Leagues (or other uses) extending past 16 weeks will be charged a second application fee.

Q: Are post-season tournaments/playoffs included with a season's application fee?

A: Each league is provided one pre-season and one post-season tournament with their application fee. These tournaments must occur within the 16 week season, or they will be assessed a separate tournament application fee. All other tournaments are subject to a separate tournament application fee and require the submission of a tournament application.

Q: Can teams within a league request additional practice time from CRS?

A: Leagues are allocated practice time as well as game time. Teams should approach their league administrator for practice space. Individual teams requesting space from CRS will be given space only if space is available; these requests will be subject to separate application fees.

Q: Are leagues required to pay for players who play solely on private fields?

A: Leagues that utilize private fields are not required to pay an application fee for participants who only play on the private fields.

Q: Are multiple application fees charged for one-time use applications for multiple facilities?

A: If a one-time event is held at multiple facilities at the same location (e.g., two gyms at the same school or two fields at the same park), only one application fee is charged.
